SPRING / SUMMER 22

WELCOME

Welcome to our new SS22 Lookbook. The new collection sees the return of our classic styles and this time we've continued to introduce new garments such as shirt-dresses, blouses with removable bows for greater versatility and a gorgeous range of fitted waxed cotton jackets. We're also excited to be introducing our very first men's line in Hartwell printed shirts. We're confident that Contemporary Countrywear never looked so good - I hope you like it.

Have a great 2022.
